# THE TROJAN

TERRI MCKAY

Jeri  
Well its about  
that time that  
we all separte and  
go our own ways, and go  
the ways I want to go. I  
wish there would some way we  
could all have a reunion for  
the class of '89". There is other things for  
want but they would be too hard to  
accomplish with me going into the Coast Guard. Well  
good luck between you and Charlie + also stay in  
school because you will be the ~~one~~ one that can and will  
after graduation
